

**Remarks**

Claims 28-47 and 49-54 remain pending in the above-referenced application and are submitted for the Examiner's reconsideration. Applicants note with appreciation the allowance of claims 28-33, 35-47, and 49-54.

Claim 34 stands rejected under 35 U.S.C. § 112, ¶2, as being indefinite for failing to clearly point out and distinctly claim the subject matter which Applicants regard as the invention. In view of the amendment made to claim 34, Applicants submit that this rejection has been obviated. Accordingly, allowance of claim 34 is respectfully requested.

Applicants assert that the present invention is new, non-obvious, and useful. Consideration and allowance of the claims are requested.

Respectfully submitted,

KENYON & KENYON
